Dear Sirs

Re: Extension to The Westcourt Surgery, 12 The Street, Rustington
-Planning Approval ref: R/8/01

The above planning approval, for the extension of the doctors surgery to provide a pharmacy, was renewed on 7th March 2006, your ref: R/13/06.

Due to the changing requirements of the health service and pressure on space as the surgery currently operates, the possibility of constructing the extension to provide further consulting space is being considered, as opposed to its approved use as a pharmacy.

As part of this study I would be most grateful if you could advise whether a further application would be required. I enclose a reduced copy of the approved plan, along with the alternative internal layouts. As you will see, the difference between the two schemes is purely internal, with elevations and external works remaining as approved.

Should further information be required please do not hesitate to contact me.

Yours faithfully
