Technical Support Unit on extn. 37711

20th June 2014

Dear Mr Paul Bond

Development:

We'd like to erect a timber cabin / storage unit to the side of the house. The original property had a garage to the side / rear of the property which is represented on the Site & Block Plan to follow in the post. We believe the old garage was removed by the previous owners of the property when they erected a car port (which we have subsequently removed). The old garage measured approx. 4875mm long x 3050mm wide x 3400mm high (measurements taken from the garage at 4 Seafield Close - our next door neighbors - adjoined to our house - semi-detached).

Location:

5 Seafield Close Rustington Littlehampton
