3 Description of Development

1 No. dwelling (resubmission following R/190/17/PL).

In pursuance of their powers under this Act and related Orders and Regulations the Council **PERMIT** this development to be carried out in accordance with the application and plans and subject to the following conditions

- 1 The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.

Reason: To comply with Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 The development hereby approved shall be carried out in accordance with the following approved plans 17207-01G (block/location/roof/floorplans and elevations & section) and 17207-02-C (Garage plans elevations and sections)

Reason: For the avoidance of doubt and in the interests of amenity and the environment in accordance with policy DDM1 of the Arun District Local Plan.

- 3 The first floor windows on the east and west elevation of the building shall at all times be glazed with obscured glass and shall only open above 1.7m from ground floor level.

Reason: To protect the amenities and privacy of the adjoining property in accordance with policy DDM1 of the Arun District Local Plan.

- 4 No windows other than those shown on the plans hereby approved shall be constructed above eaves level or in the roofs of the dwelling or garage hereby permitted without the prior permission of the Local Planning Authority on an application in that behalf.

Reason: To protect the amenities and privacy of the adjoining property in accordance with policy DDM1 of the Arun District Local Plan.

- 5 Notwithstanding the provisions of Part 1 of Schedule 2 of the Town and Country Planning (General Permitted Development) Order, 1995 (or any Order revoking or re-enacting this Order) no extensions including porches or dormer windows to the dwelling house shall be constructed or buildings shall be erected within the curtilage unless permission is granted by the Local Planning Authority on an application in that behalf.

Reason: To safeguard the privacy and amenity of adjoining occupiers, maintain adequate amenity space and safeguard the cohesive appearance of the development in accordance with policy DDM1 of the Arun District Local Plan.

- 6 No part of the development shall be first occupied until the car parking has been constructed in accordance with the approved site plan. These spaces shall thereafter be retained at all times for their designated purpose.

Reason: To provide car-parking space for the use in accordance with policy TSR1 of the Arun District Local Plan.

- 7 The garage accommodation hereby permitted shall be occupied solely for purposes ancillary to the occupation and enjoyment of the dwelling hereby approved and shall not be used as a separate unit of accommodation.

Reason: To accord with policy DDM1 of the Arun District Local Plan and to prevent the establishment of an additional independent unit of accommodation which would give rise to an over-intensive use of the site and lead to an unsatisfactory relationship between independent dwellings.

- 8 No part of the development shall be first occupied until covered and secure cycle parking spaces have been provided in accordance with the details hereby approved.

Reason: To provide alternative travel options to the use of the car in accordance with current sustainable transport policies in accordance with policy TSR1 of the Arun District Local Plan.

INFORMATIVE: Statement pursuant to Article 31 of the Town and Country Planning (Development Management Procedure) (England) (Amendment No. 2) Order 2012. The Local Planning Authority has acted positively and proactively in determining this application by

assessing the proposal against all material considerations, including planning policies and any representations that may have been received and subsequently determining to grant planning permission in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.

APPEALS TO THE SECRETARY OF STATE

If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, and you want to appeal against this planning application decision, then you must do so within 28 days of the date of this notice.

If an enforcement notice is served relating to the same or substantially the same land and development as in your application and you want to appeal against this planning application decision, then you must do so within 28 days of the date of service of the enforcement notice, or within 12 weeks of the date of this notice, whichever period expires earlier.

Otherwise, if you want to appeal against this decision then you must do so within 6 months of the date of this notice.

Appeals must be using a form which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN (Tel: 0303 444 5000) or online at <http://acp.planninginspectorate.gov.uk>

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

PURCHASE NOTICES

If either the local planning authority or the Secretary of State refused permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council (that is, where the land is situated in a National Park, the National Park authority for the Park, or in any other case the district council in whose area the land is situated). This notice will require the Council to purchase the owner's interest in the land in accordance with the provisions of Chapter 1 of Part VI of the Town & Country Planning Act 1990.

Please note that this decision notice only relates to matters under the Planning Acts and does not give consent under any other legislation that may apply to the development. You will need to carry out your own checks to determine whether any other consents or permissions are required. For example, the Building Regulations are likely to apply to most developments, and a Highways Licence may be required from West Sussex County Council for any development within the
