Subject: SHOP NO 4 BROADMARK PARADE

Dear Sirs

I am the owner of Shop No 4, Broadmark Parade, Rustington which has been vacant for over 18 months.

Kentucky Fried Chicken (KFC) are interested in the shop.

KFC have applied for planning permission for a change of use from Home Nursing to Catering.

The Planning Authority has placed a restriction on delivery times.

The applicant has pointed out that if there is a delay and deliveries are delayed he would be breaking the law through no fault of his making.

In addition, Dominos have another shop in the parade without this restriction and

Deliveries are made to the back of the shop on land owned by the shop – not a public highway.

At the moment the “high street” is suffering – this restriction is making things worse.

I should be most grateful if the Planning Authority could remove this restriction as quickly as possible please.

Yours sincerely

P L PRATT
