UNITS 6 & 7 BROOKSIDE AVENUE, RUSTINGTON – APPLICATION TO DISCHARGE CONDITION 4  
(DRAINAGE SCHEME) PURSUANT TO APPLICATION REF. R/215/17/PL

The details submitted show the surface and foul water drainage scheme proposed for the site within drawings ref. 1176/D1.1 & 1176/D1.2 and include design notes from our Engineer to summarise the strategy adopted. There is also a supplemental drawing ref. 1176-D5.1A showing the construction details proposed.

The drainage scheme proposed has resulted in minor adjustments to the car parking arrangement as shown on the approved site plan (ref. RU-BRACS P-01A). For the sake of clarity, we also enclose a copy of the final site plan (ref. 2218(11)001 B) for your reference.

The application has been submitted via the Planning Portal together with the requisite payment. We look forward to receiving confirmation the application has been registered and validated.

In the meantime, should you wish to discuss any of the above, please do not hesitate to contact the undersigned.
