Subject: R/146/21/PL

Dear Planning,

We have considered the proposed application, and I can advise that Environmental Health have no adverse comments to make concerning the above application.

However, I would like to point out that outdoor sitting is likely to create additional noise, potentially impacting the surrounding area if not adequately controlled. The applicant needs to ensure that reasonable measures are in place to preserve the peace and tranquillity of the areas while sitting in outdoor areas.

I hope this helps.

Regards

Chima Umunnakwe
