Dear Nandini

Thank you for your emails however the plans aren't measuring to scale as the paper size appears to be wrong. The plans have been submitted at A4 but the plans state 1:100 at A3. Please amend

Kind regards

Sian

Dear Ms. Eggington,

Many thanks for your reply to my colleague, Grant Capsopoulos.

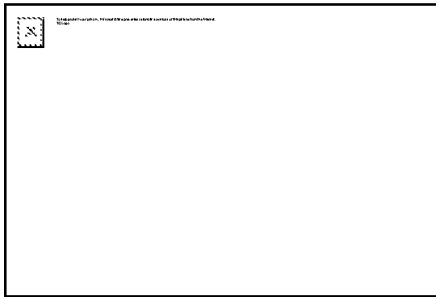

It would be very helpful if you would add the dimensions from the outbuilding to all site boundaries on the Block Plan. My apologies, I hadn't realised that this was needed.

I have attached the floor plans and elevations as PDF documents.
Do let me know if you need any further information.
With best regards,
Nandini

Dear Mr Capsopoulos

Thank you for your email, the block plan requires dimensions from the outbuilding to all site boundaries. With your permission I can add these for you. We are also awaiting the floor plans/elevations as PDF documents as they cannot be measured/uploaded when they are not PDF.

Kind regards
Sian Eggington
