Dear Sir,

Re: 21 Hawke Close
Rustington

Ref. R/151/14/HH.

We wish to advise you of our objections to the retrospective planning application for the above property which is built at the rear of part of our back garden.

Since the alterations have been done, 2 rooms have been built in the roof space, we are objecting on the following grounds:

1) the cladding used is not in keeping with the surrounding properties.

2) we now have four separate windows which overlook our property & garden, so we have lost the complete privacy we had as both our gardens are short in depth.

We hope that- these points will be
taken into account when the
retrospective application is considered.

Yours faithfully.
