Good morning

Given that the dimensions would appear to be correct I must assume that the error must be in the non placement of the door and window on the plan. I have now altered this and enclosed a copy of the amended plan 4B. I have also uploaded a copy via the Planning Portal.

Kind regards
Simon R Brodrick

Dear Mr Brodrick,

Thank you for your email.

Unfortunately the existing garage elevations you have provided do not seem to accord with the existing garage floor plans already submitted.

I have left a message on your answer machine so if you wish to discuss this then please do not hesitate to contact me on [REDACTED]

Many Thanks

Charlotte Burrows

Dear Sirs

I have this evening sent a revised drawing showing the elevations of the garage to you via the Planning Portal. A copy of the drawing is also attached for your information.
