Mr. Brodrick,

Thank you for your amended block plans – however I needed an elevation plan showing garden wall details (the one depicting the south elevation, existing and proposed) to be submitted. The proposed elevation would no longer show the wall in question. Please can you arrange for this to be sent to me at your earliest convenience.

For any further clarification, please call me on (01903) 737888.

Kind Regards,
Damian Sullivan

Dear Mr Sullivan

Please find attached revised drawing no 15/13/06-6A omitting the front garden wall as requested. I have also attached a revised Location drawing as this also shows the garden wall.

I trust that you can now progress this application but should you require any further information please do not hesitate to contact me

Kind regards

Dear Mr. Brodrick,

Thank you for your e-mail. However, I also need an amended plan to drawing no. 15/13/2006 not showing the proposed wall which can then supercede the existing plans. Please may I have this as a matter of urgency.

Kind Regards,
Damian Sullivan

Dear Mr Sullivan

Apologies for the delay.

Obviously my client would like to negotiate some kind of front boundary screening at some time but given that this may have a bearing on the existing proposal I agree to withdrawing this element of the plans which is shown on drawing no 15/13/06 - 03 and leave only the extensions to the dwelling and the garage.

Kind regards

Simon

Dear Mr. Brodrick,

Further to our conversation last Friday, just a reminder about confirming the deletion of the front boundary wall at the above address and amended plan of drawing number 15/13/06 dated May 2013 at your first convenience.

Kind Regards,
Damian.
