Comment from Greenspace

Further to submission of Planting and Landscaping Plan dwg 193047/01A and Planting Schedule, I can confirm that the information supplied does propose a well thought out and comprehensive scheme which is fitting for location with species and quantities proposed, size and density information and therefore I would recommend the discharge of Condition 7 Landscaping imposed under planning approval R/203/18/PL on this application R/152/19/DOC.
