Please ask for:

Technical Support Unit on extn. 37711

27th June 2019

Dear Mr Paul Tulley

Development:

T1. Horse Chestnut

Fell for safety due to being dead for a number of years. Residents fear debris falling in Walnut Avenue.

T2. Poplar

Height reduction by 10m, from 20m to 10m. Concern for the size of tree in relation to surrounding buildings and the brittle nature of this variety in high winds. No reduction to radial spread necessary, but an effort will be made to achieve a natural tree shape.

T3 and T4. Poplar

Crown lift branches to 5m on the Northerly aspect only, to clear overhang on The Street that are becoming increasingly in contact with busses and lorries.

Location:

Walnut Tree House 21 The Street Rustington

Thank you for your application submitted via the internet on 26th June 2019. It is being dealt with by the Technical Support Unit and has been allocated the reference number **R/154/19/T**. We will contact you shortly with further details.

For details on how the Council will deal with your data, please refer to our privacy notice called Privacy statement planning application on the website www.arun.gov.uk/planning-privacy-statements

This letter does not confirm validity of the application/documentation submitted.

Yours sincerely

Miss N Spencer
Technical Support Unit Officer
