For the attention of Zachariah Denton

Dear Sir,

Planning Decision R/84/20/HH - 23 Mill Lane- Amended Details

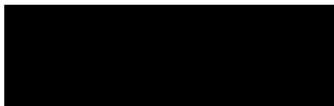

Further to the granting of planning consent and our subsequent correspondence, please find attached a new planning application for your consideration.

The only change to the original approved design is the formation of a mono pitched roof over part of the existing garage which also incorporates a roof light.

The new mono pitched roof will be approximately 32° and tiles from the existing garage roof will be reused. Any new tiles will match existing in terms of material i.e. clay, and colour as close as possible, all to be mixed to provide a degree of uniformity. Gable ends will be rendered to match existing.

If you have any queries, please do not hesitate to contact me.

Yours faithfully
