Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: R/156/20/PL
Site Address: 31 Albert Road Rustington BN16 3JT
Description of works: Extension and alteration of existing residential dwelling and subdivision to form 2no. two bedroom residential dwellings, together with formation of new vehicular access and entrance drive.

Thank you for your internet representation made on 7th September 2020 which has been recorded as an objection with the comments as follows:

OWPC29433

we object for many reasons:

Loss of light to all properties surrounding the planned developments, both on Albert Road and Mill Lane

Loss of privacy to all properties surrounding the planned developments, again on both Albert Road and Mill Lane

Lack of parking already in Albert Road, 2 new properties will exasperate that even more and and risk to accidents on the junction into Mill Lane

The corner is already very busy with people using it as a cut through to avoid queues towards Rustington town centre

No speed restrictions on Mill lane either - as its the only non restricted road into surrounding area (Wick, East Preston and Angmering Station all have level crossings) its becoming a speed issue area. Adding more residential properties on an overloaded corner will be accident waiting to happen.

Your views as made above will be considered before the application is determined.
