

Mr Rogers has just emailed, and the plans are saved in a format that the scales can be read correctly on our system.

They have been sent to our internal department to be uploaded to the application.

Kind regards

Susan Haley

Good morning

Thank you for your email.

I have been in touch with your architect, and it appears we have received the plans with an issue that effects scale when sent digitally. The plans are correct when printed at A1.

Mr Rogers is going to resend in a format that our system can measure.

Kind regards

Good Afternoon Susan,

I have just spoke to the architect who has double checked the scales and he said that he has double checked them and they are correct once printed out on A1 paper, I believe he has tried to ring yourself as well. So I am not sure what needs to be done.

Many Thanks

Dear Mr Fuller

On further assessment of the application R/158/25/HH, it has been noted that the scale on the plans is incorrect (please see the attached plans submitted).

Please amend the plans according and resubmit via email to me no later than 10th October 2025.

Kind regards

Susan Haley
