Dear Ms Welch

Thank you kindly for clarifying that.

I have attached the revised set of plans for consideration (5No sheets total). Please note that Sheet 02 is unchanged and remains at Revision C.

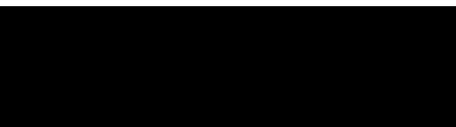

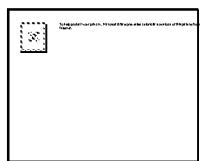

The amended proposal relates specifically to the designs and arrangement of the 'west' balcony, which we have revised following discussions with and in accordance with the wishes of the adjacent property owner.

Please would you kindly confirm receipt of the revised plans?

Also, will there be any impact to the statutory determination deadline of 31st August or will that date remain the same given how early we are in the process to submit these revised plans?

Kind regards
