Dear Mr Burton,

Section 96A of the Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended) - Article 10

Application for a non-material amendment following a grant of planning permission R/143/16/HH relating to addition of 2No. non-opening white frame with toughened clear non-georgian PVCu windows

41 Seafield Road, Rustington, ,

I refer to your recent application for a Non Material Amendment. From the information submitted I understand that you proposed to alter the previously approved scheme under reference R/143/16/HH through the installation of 2 no. non-opening PVCu windows measuring 0.5m x 1.5m to the western elevation.

The proposed alterations are not considered to give rise to any unacceptably adverse harm to the visual or residential amenities of the locality and the following drawings now become the approved plans for planning application R/143/16/HH;

- Proposed Floor Plans - Plan/A
- Proposed west elevation - View/A

I trust this information is of assistance to you.

Yours sincerely

Neil Crowther
Group Head of Planning
