Dear Sirs,

Our Clients: Mr & Mrs Powell

Address: 10 Amberley Road, Rustington BN16 2EE

**Re: Application R/170/15/HH – Single Storey Rear Extension,
Side Car Port and Rear Glass Roofed Veranda at 12
Amberley Road, Rustington**

We act for Mr & Mrs Powell the proprietors of 10 Amberley Road. We write on their behalf in order to make written representations in relation to the Planning Application by their neighbour at 12 Amberley Road. Our clients have viewed the Application and plans and it is quite clear that if the Planning Application is allowed then this will block significant light to our clients' kitchen window (particularly from the car port and the pitched roof). This will have an impact upon our clients view from their premises and will devalue their property.

Our clients believe that their neighbours should compromise and place the car port back so that it does not block light to their window and the extension should be constructed with a flat roof.

We look forward to hearing from you once you have considered our clients representations.

Yours faithfully,

GREEN WRIGHT CHALTON ANNIS
