Dear Sir/Madam,

**Town & Country Planning (Control of Advertisement) (England) Regulations 2007 (as amended)**

Application No: R/172/25/A  
Site Address: Land outside 1-3 Broadmark Lane and 8-9 Broadmark Parade BN16 2NE  
Description of works: Proposed installation of 1 No. new BT Street Hub, incorporating 2 No. digital 75" LCD advert screens with associated BT Phone Kiosk removal.

Thank you for your internet representation made on 10th October 2025 which has been recorded as an objection with the comments as follows:

OWPC79205

The screens would be distraction for people driving through what is a busy junction especially during the day. They would also not be in keeping with our village centre which is traditional yet tasteful and would be an eyesore. They would lower the traditional feel of the village and detract shoppers and business.

Your views as made above will be considered before the application is determined.
