Dear Sir/Madam,

Town & Country Planning (Control of Advertisement) (England) Regulations 2007 (as amended)

Application No: R/172/25/A
Site Address: Land outside 1-3 Broadmark Lane and 8-9 Broadmark Parade BN16 2NE
Description of works: Proposed installation of 1 No. new BT Street Hub, incorporating 2 No. digital 75" LCD advert screens with associated BT Phone Kiosk removal.

Thank you for your internet representation made on 10th October 2025 which has been recorded as an objection with the comments as follows:

OWPC79207

I strongly object to the removal of the BT telephone kiosk to be replaced by 2 very large digital screens. The proposal is not in keeping with the village. What makes Rustington special is the buildings and peaceful surroundings. Digital screens would spoil the ambience.

The screens would also be a distraction to drivers waiting at the traffic lights, which could lead to accidents. As a resident of over 50 years I urge the Committee to refuse the planning application.

Your views as made above will be considered before the application is determined.
