Dear Anita

Thank you for your email, please accept this email as confirmation that we agree to the extension of time.

The illumination and signage are existing. The one on the chimney is lit with a spotlight from above.

The signage on the other side of the building is also lit with spotlights.

I am away on annual leave until the 30th October so I will have to obtain the dimensions of the signs when I return.

Kind Regards

Lauren

Dear Lauren,

I am writing to request additional information in respect of the above application. I will need confirmation of the dimensions of the 2 existing signs it is intended to illuminate and details of the type of external lighting. Will this be trough or spot light placed above or below the signs?

The application expires tomorrow and I would therefore be grateful for an extension of time of 2 weeks until 07-11-2017 to allow for receipt and processing of this additional information.

Regards

Anita Gardner
