Dear Anita

They are LED floodlights Make and model: YYC FM031IP65 Two are uplighting the sign on the side of the property. There is one illuminating the chimney sign which is on an arm above the sign and it is angled onto the sign, you should have photos of this already but I am attaching them again just incase.

The large sign on the side of the property is approximately 3000 x 1500mm (width x height) The chimney sign is approximately 1100 x 1300mm (width x height)

Kind Regards

Lauren
