To who it may concern,

**Regarding the Foul Water for this project**

The mole as stated from Sussex Water mains Ltd, will need a small amount of guidance.  
This guidance comes in the form of 3 small holes.  
These small holes fall in front of certain garages within the compound, until it reaches our front door.  
Sussex Water Mains Ltd have informed me of these 3 small locations.

I have been in touch with all 3 parties that this may affect for this short period.

These are:

#60

#54

#45

All 3 parties have responded and are happy with the procedure.

Here is proof of 2 of these.

The third simply called me on my phone on the afternoon of the 18<sup>th</sup> of August,  
That was Paul and Jean from #54, and they are very happy for this to go ahead.

I hope this helps you,

If I can help in any other way, please feel free to get in touch

Kind regards,

Baz and Lesley Diprose

## Holes for hairdressing

Hi Baz and Lesley,

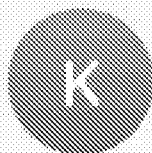

Bob and Chrissie here from #45.

We have received your letter regarding your new adventure and of course we wish you every success in that.

No problem for digging the hole in our parking area. Please give us as much notice as possible so I can avoid bringing my bigger van home while the work is being done.

Kind regards

Bob Bridges
