Previous permitted development application was not approved as planners consider front elevation to be in line with neighbouring properties rather than facing the highway. Planners said that as property is in a corner position and has long gardens on each side the distance between the proposed clear glazed dormer and the neighbouring property on Cudlow Avenue is 27m and is actually more than the distance between the considered rear elevation and the property behind on Claigmar Avenue. The planners also have no objection to the relocation of the garage and that the proposal should be resubmitted as a planning application.

## Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes  
☒ No
