Re: Planning Application R/179/25/PL - 43 Old Manor Road

Dear Sir/Madam,

I am writing to formally object to planning application R/179/25/PL for 43 Old Manor Road.

This is now the fourth application from the same applicant, repeating the same proposals previously refused. Our objections remain unchanged and are as follows:

1. Proposed Access Across Private Property

The application again shows access to the proposed five garages within two new buildings via the private garage compound, which is not owned by the applicant.

This land is privately owned by the residents of Campbell Drive and Laburnham Walk, and permission to use, enter, or alter it has never been granted and will not be granted. It is concerning that the applicant continues to ignore this fundamental fact, despite previous rejections and clear statements from the Head of Planning.

If access is required, the applicant should utilise the existing driveway on the side of their own property

leading into their rear garden, rather than attempting to rely on land they have no legal right to use.

2. Traffic and Parking Concerns

Campbell Drive and Old Manor Road already experience significant parking pressure and high traffic volumes, particularly during school times due to the nearby primary school.

Adding five additional vehicles stored within the proposed garages would only worsen congestion, compromise safety, and further restrict on-street parking in an area already struggling with capacity.

For the above reasons, private property issues, impractical and unsafe access, and increased traffic concerns, I respectfully request that this application be refused.

Thank you for your time and consideration.

Yours faithfully,
Stephen and Ann Flint
