Mrs A Gardner

5th September 2017

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (General Permitted Development) Order 2015 Schedule 2

Notification for prior approval under class C for a change of use from a shop (Class A1)
to a restaurant/cafe (Class A3)
51 Sea Lane Rustington

Thank you for your internet representation made on 4th September 2017 which has been recorded as '**an objection**' with the comments as follows:

After looking at the plans my main objection is the car parking. It is already very difficult to park in front of the parade of shops and the additional traffic would make it even more difficult getting out on to Sea Lane from Cudlow Avenue.
Also looking at the Extract system for the Kitchen the plans indicate it being positioned behind trees and bushes, this however will not stop the unpleasant smells reaching the properties in the immediate vicinity. This Extract system indicates the exhaust fumes being directed down, when most Exhaust systems from Kitchens direct the exhaust upwards into the atmosphere. Directing it down just makes the situation worse. I would also say that at present in Rustington we have enough Cafes and eating places.
Therefore I object to this application for the reasons stated.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
