Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (General Permitted Development) Order 2015 Schedule 2

Notification for prior approval under class C for a change of use from a shop (Class A1)
to a restaurant/cafe (Class A3)
51 Sea Lane Rustington

Thank you for your internet representation made on 8th September 2017 which has been recorded as '**an objection**' with the comments as follows:

My Major objection to this application is the possible unauthorised parking in Cudlow Avenue by staff, delivery traffic, and Customers working or using this proposed cafe/restaurant. My property is near to the west end of Cudlow Avenue, and has a large road frontage. Unauthorised parking is already a major problem. As a freeholder we own the road, pay an annual fee, and are responsible for the maintenance of the road surface. Additional traffic using the roads on the Cudlow estate, will cause the roads to age, and will require further resurfacing, at the freeholders expense.

Proposed plans show a large ventilation duct from the proposed kitchen, which will cause noise and smells.

The plans show a wooden bin storage unit,(no dimensions are given),containing two 'large' bins for food waste. This will further increase the vermin problem we have in the area.

I request the Planning Committee reject this application.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply

information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully
