Subject: RE: R/185/18/T Tree Application for Works to Tree(s) on trees subject to a Tree Preservation Order (TPO)

Dear Charlotte,

Thank you for your response. Whilst I realise the delay is with the tree surgeon, I do find this situation rather irritating.

As I mentioned in my previous e-mail this is the second application I have made for this pruning and I used the wording suggested by the tree officer in this second application. There is therefore nothing for the tree officer to do except at the most confirm that the wording is as he recommended which could have been checked in the office without the need to consult him. Effectively I have been waiting for best part of 2 months for the decision which could be delegated without the need to go through the whole process which has included in my view unnecessarily advertising the application again and consulting the tree officer again.

I trust I will hear in the next few days.

Best wishes,

David

Dear Mr Johnson,

Thank you for your email.

I have spoken with the Tree Officer and he is hoping to get his response back to me this week. As soon as I have notification of this I will endeavour to have the decision issued as soon as possible.

I can only apologise for the delay.

Many Thanks

Charlotte

Subject: R/185/18/T Tree Application for Works to Tree(s) on trees subject to a Tree Preservation Order (TPO)

Dear Ms Easton

I have yet to hear from you about this application.

I received a letter on 29th August stating that:

The Council aims to make as many decisions as possible before the end of the statutory determination period, which in this case will be 8th October 2018. However, this is not always possible for a number of reasons, including on-going negotiations or the scheduling of the Development Control Committee.

We are past the 8th October. This application has been made once already and simply rejected because the tree specialist recommended less pruning than originally requested. This new application followed the recommended wording of the tree specialist and therefore should not be contentious. Furthermore no comments were received on the previous application and I doubt therefore whether any comments will have been received for this application.

Can you please advise me when I may receive approval to proceed? If I do not hear from you about a reasonable date for hearing the outcome I will take the matter further,

Yours sincerely,

David Johnson
