Subject: Re: 23 Amberley Road, Rustington.

Dear Zac,
Minor changes that don't affect planning ie relocating airing cupboard door.
Best wishes,
Tony.

Dear Tony,

Thank you for your email.

So, there is no difference in the design Rev. B and Rev. C?

Kind regards,

Zac

Dear Zac,
Thank you for your phone message of today, reference R/18/19/HH.
I wish to confirm that I submitted plan C923-1C on the 4th February 2019 which shows the changes that the client wished me to make to the application.
The overall size of the project remains the same.
The original scheme would have been permitted development as the extension would not have shown from the front elevation.
However, with the new layout I advised my client that planning permission would be required.
Hence the application.
Let me know if you require any further information.
Best wishes,
Tony.
