Ref; R/190/18/PL St Mary's Close, Hurst Road

Dear Sir /Madam,

I would like to object to planning application, R/190/18/PL on the grounds that the proposed construction of two identical houses is aesthetically out of character with the current houses in the road. All the houses in Hurst Road are of an individual design and to have two houses of identical design and appearance would set a precedent for any future development. Hurst Road is a small tree lined road with sixteen houses all of individual design which adds to the ambience of the road and surrounding area.

Yours sincerely,
