I regret that I am unable to accept your documents as a formal application until the following item(s) have been received or resolved :-

Block Plan

Please submit 1 electronic or 3 paper copies of a block/site plan at a scale of 1:500 or 1:200. Further details of what must be included on the plan can be found in the National Validation Requirements.

Please confirm the description is satisfactory,

Where the information requested above relates to a local validation requirement, you may request that the requirement is waived. The information requested should be reasonable having regard to the nature and scale of the proposed development and about a matter which it is reasonable to think would be a material consideration in determining the application. If you do not feel this is the case, you can serve a notice on the Council, specifying which particulars or evidence you do not consider meet this test of reasonableness. You must state which items you disagree with and set out the reasons why you hold the view, please quote the application reference in your letter or email. The Council will then consider your case and respond. It should be noted that there is no right to challenge the national requirements as these requirements are contained in planning legislation.

If you are unable to access the website, please contact this office so a copy can be sent to you.
