Dear Sir

R/196/24/CLP - Lawful development certificate for the proposed use of land to station a mobile home granny annexe for use incidental to the main dwelling - 21 Mill Lane, Rustington

My Council has noted the above application and whilst it would not normally submit any comments in respect of Lawful Development Certificate Applications, in this instance, where the proposed large annexe appears to cover the full width of the garden, with no boundary distance shown, it feels it must register and draw your Authority's attention to its extreme concern in respect of the height of the building (Internal Height 3.05 metres, External (Proposed Elevation) 3.57 metres - 0.520 metres difference - with padstones and a 'skirt'), together with the fact that there are windows overlooking on two sides of the proposed annexe.

The District Council's attention is also drawn to the most controversial Planning Application No: R/89/21/HH - 74 The Martlets, where a similar annexe was erected.

My Council would, in conclusion, request that this application should not be treated as a Lawful Development Certificate application, but instead should be the subject of a full Planning Application. I would be grateful, therefore, if you could give this request your consideration.

Yours faithfully

Mrs Carole Ward
Clerk of the Council
