Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: R/197/20/OUT
Site Address: Croft Works 52 Mill Lane Rustington BN16 3JN
Description of works: Outline application with some matters reserved for the demolition of existing dilapidated storage buildings & erection of 2 No. detached 3-bedroom chalet bungalows with associated car barns, gardens, car parking & landscaping (resubmission following R/117/20/OUT).

Thank you for your internet representation made on 26th October 2020 which has been recorded as an objection with the comments as follows:

OWPC30677

Dear Sir / Madam

We are writing to object the following plans (ref: r/197/20/OUT).

The first and main point of concern is that the highlighted red boundary enters our property boundary (number 48) which is detailed within our deeds.

The architecture decision response states that there is assurance that a fire engine vehicle will be able to access the dwellings in accordance with building regulations. However, the turning point to enter the dwellings is restricted for both emergency and heavy plant vehicles.

We acknowledge that our driveway is regularly inappropriately used by heavier vehicles due to providing a larger turning point. This has caused damage preciously to our wall and piers. Therefore, there is the higher possibility that drivers will use this when working on the dwellings.

Further to this, heavy plant vehicle turning will have a impact on the ground, such as turning gravel. The design response does not state who will repair the private narrow lane when impacted by the proposed works.

The access to the private narrow lane is restrictive of movement for vehicles entering and leaving.

There is a concern that the building works will impact access /exiting of the narrow lane via traffic and heavy plant vehicles, due to being a key worker and requiring to complete urgent visits at short notice.

There is an alternative way to access the proposed dwellings via Fircroft Crescent which is wider and would not impact access and the maintenance for the surrounding residents.

The described restrictions can be seen clearly within Google maps.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments on the website. Please make sure that you have only provided information that you are happy will be published in this way. If you have supplied information belonging to a third party, you must make sure you have their permission to do so. If you do not wish your comments to appear on the website or on the file you will need to confirm this by emailing to planning@arun.gov.uk and I will arrange for it to be destroyed although this means that the content will then be disregarded.

The majority of applications are determined under delegated powers by officers. Further information on the decision making process can be found on the website at :<https://www.arun.gov.uk/planning-decision-process>.

Some applications will be determined by the Development Control Committee, and I shall write and inform you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.

Regardless of how the application is determined I will notify you of the decision.

Yours sincerely

Neil Crowther
Group Head of Planning
