3 Description of Development

Fell 1 No Silver Birch tree

4 In pursuance of their powers under this Act and these Regulations the Council **GRANT** consent for the operations to be carried out in accordance with the application and plan and subject to the conditions specified.

The Council certify that they are satisfied that the conditions specified are in the interests of good forestry or in the case of trees other than those comprised in woodlands, that the trees have an outstanding or special amenity value.

- 1 The applicant shall during the next planting season following the felling of the tree, the subject of this application, plant a replacement tree of a species and maturity and in a position approved by the Local Planning Authority and under its supervision and in the event that any such tree dies within five years following such planting shall replace them by a similar tree in a similar position during the next planting season.

Reason: To retain trees in the interests of the environment of the locality in accordance with the NPPF.

INFORMATIVE: Suggested replacement trees include the following:-

Downy Birch (*Betula pubescens*)
 Chinese Red-Barcked Birch (*Betula albo-sinensis*)
 Swedish Whitebeam (*Sorbus intermedia*)

INFORMATIVE: The applicant should note that under Part 1 of the Wildlife and Countryside Act 1981, with only a few exceptions, it is an offence for any person to intentionally take, damage or destroy the nest of any wild birds while the nest is in use or being built. Birds nest between March and September and therefore removal of dense bushes, ivy or trees or parts of trees etc. during this period could lead to an offence under the act.

INFORMATIVE: This notice does not give authority to destroy or damage a bat roost or disturb a bat. Bat species are protected under Section 39 of the 1994 Conservation (Natural Habitats etc) Regulations (as amended), the 1981 Wildlife and Countryside Act (as amended) and the 2000 Countryside and Rights of Way Act. It is illegal to damage or destroy any bat roost, whether occupied or not, or disturb or harm a bat. If you are aware that bats roost in a tree(s) for which work is planned, you should take further advice from Natural England (via the Bat Conservation Trust on 0845 1300228) or an ecological consultant before you start. If bats are discovered during the work, you must stop immediately and contact Natural England before continuing.

NOTES RELATING TO APPLICATIONS TO CARRY OUT WORKS TO TREES

TOWN AND COUNTRY PLANNING ACT 1990

YOUR RIGHT TO APPEAL

If you are aggrieved by the Councils' decision to refuse consent, you can appeal to the First Secretary of State. If you want to appeal, you must do so in writing to the Planning Inspectorate, The Environment Team, Room 4/04, Kite Wing, Temple Quay House, 2The Square, Temple Quay, Bristol BS1 6PN within 28 days from the date you receive this decision. The Secretary of State has discretion to allow a longer period.

COMPENSATION

If you suffer loss or damage which is caused or incurred in consequence of this refusal of consent, you are entitled to recover from the Council compensation in respect of such loss or damage. If you wish to make a claim you must do so within 12 months from the date of this decision (or, if you appeal to the First Secretary of State, within 12 months from the date of his decision). Claims should be submitted in writing to the Head of Planning Services, Arun District Council, Maltravers Road, Littlehampton, West Sussex, BN17 5LF.

Please note that this decision notice only relates to matters under the Planning Acts and does not give consent under any other legislation that may apply to the development. You will need to carry out your own checks to determine whether any other consents or permissions are required. For example, the Building Regulations are likely to apply to most developments, and a Highways Licence may be required from West Sussex County Council for any development within the public highway (including the placing of skips on highway land).
