Location 66 Westlands Rustington

Thank you for your recent application which I received on 1st February 2019. It is being validated by Mrs J Grieves who will be able to assist you should you have any questions.

I regret that I am unable to accept your documents as a formal application until the following item(s) have been received or resolved :-

The application form received is blank. Please forward amended form accordingly.

The email address you have will not accept emails from us. I'm unsure if you received my previous emails but the form is still blank. This seems to happen when using Windows 10. Please forward a hard copy or drop a copy in to the office

Where the information requested above relates to a local validation requirement, you may request that the requirement is waived. The information requested should be reasonable having regard to the nature and scale of the proposed development and about a matter which it is reasonable to think would be a material consideration in determining the application. If you do not feel this is the case, you can serve a notice on the Council, specifying which particulars or evidence you do not consider meet this test of reasonableness. You must state which items you disagree with and set out the reasons why you hold the view, please quote the application reference in your letter or email. The Council will then consider your case and respond. It should be noted that there is no right to challenge the national requirements as these requirements are contained in planning legislation.

Please provide the above by **28th February 2019** or your application will be closed as incomplete and you will have to resubmit if you wish to proceed with the application. If you have difficulty meeting this deadline please contact the above officer to discuss the matter.

Yours sincerely

Neil Crowther
Group Head of Planning
