Ms Ellison,

Yes, the proposal needs to be done by 30th May 20019. The regulations state this date for the proposal to be completed and we have had no further information to extend this date.

Thank you
Mrs Johnson

Many thanks for the positive planning response. Could I query the completion date? The communication states that the development should be completed on or before 30 May 2019, which is only about 8 weeks away, insufficient time to select a builder and complete the building.
