Your ref R/1/18/PL

Dear Sirs,

Further to your recent letter, please find enclosed three copies of location and block plans as requested, with site area marked in red, showing position of proposed off road parking spaces, for the above planning application.

I also confirm as requested, that the area shown in red is owned by ourselves on a leasehold agreement with 949 years left to run.

I hope this is enough information for you to proceed with the planning application.

Yours faithfully

Kevin Dowell.
