Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Tree Preservation) (England) Regulations 2012

Application No: R/202/21/T
Site Address: Woodland adj to Foxes Close, Hamilton Drive, Summerlea Close and Hutchinson Close Rustington
Description of works: Various works to various trees.

Thank you for your internet representation made on 13th August 2021 which has been recorded as support with the comments as follows:

OWPC39573

The trees have become far too big and very intrusive, they are overhanging in the close now, causing some obstruction and any commercial vehicles hitting them causes damage to the trees which is then strewn across our gardens the road and access ways. It is also very worrying when we have high winds as the trees sway around excessively causing anxiety should one of them be brought down due to their sheer size and height. When the autumn arrives we're constantly sweeping and trying to clear the huge amount of fallen leaves and debris shed from the trees. It appears to be well over a decade since we've seen any significant tree work completed.

Your views as made above will be considered before the application is determined.
