Dear Mr Denton,

I confirm the extension of time until 22nd October.

I understand the client, Amanda Adams has contacted you and left a voicemail. Please note that the client's builder is on site and is currently undertaking work to the ground floor that doesn't need planning permission. However the builder is hoping to commence the front dormers in a couple of weeks so the determination date of 22nd October will work well, so a decision by this date would be very much appreciated.

Kind regards

Dear Mr Moore,

Thank you for your email.

Unfortunately, as a result of delays in the validation process the statutory advertisement dates runs until the 18th of October, therefore, we will be unable to provide you with a determination until the 22nd of October. Would it be possible to have an extension of time until this date?

Kind regards,

Z Denton

Dear Mr Denton,

I refer to the current planning application for a loft conversion at 4 Hudson Drive that includes 2 front dormers (R/206/18/HH).

The client has just contacted me as her builder is keen to commence work next week. I understand the determination date was the 4th October and therefore I should be very grateful if you could provide me with an update.

Your earliest attention would be very much appreciated.

Kind regards
