Dear Mrs Johnson

**Application for Listed Building Consent**  
**Reference No: R/208/21/L**

I write further to the letters from the Council dated 19<sup>th</sup> and 20<sup>th</sup> August 2021 regarding the above referenced application for Listed Building Consent and the several telephone messages left for each other.

I note that you have asked for a revised Location Plan and a revised Block Plan in order to validate my application.

In response I have submitted these plans revised to meet your requirements through the same Planning Portal procedure as used for the original application but the confusing messages received on my screen via that process leave me uncertain as to whether the plans have been received by the Council.

I am therefore attaching copies of the revised plans to this email and trust that these will be sufficient to enable you to validate my application.

I look forward to hearing from you and should you need any further information then please do let me know.

Yours faithfully

John
