

|                           |                             |                                  |
|---------------------------|-----------------------------|----------------------------------|
| <i>Existing Holm Oaks</i> | <i>Existing Prunus</i>      | <i>Existing Sycamore</i>         |
| <i>Existing Cypress</i>   | <i>Existing Laurel</i>      | <i>Existing Corkscrew Willow</i> |
| <i>Existing Holly</i>     | <i>Existing Lilac</i>       | <i>Existing Bay</i>              |
| <i>Existing Bay</i>       | <i>Existing Bottlebrush</i> | <i>Existing Photinia</i>         |

Notwithstanding the above, which are already planted/established, there are other plants awaiting planting, which include *Clematis*, *Hydrangea*, *Cupressus*, *Trachycarpus*, *Phormium*, *Portuguese Laurel*, *Hebe*.

It should be noted that due to the extent of the number of plants, and the size of the file, it is not possible to attach all the photographs of the plants within the garden.
