Subject: 6 the Martlets BN16 2TY. Planning app R/212/19/HH

I am the owner of 4 the Martlets this application has party wall implications

It appears that the access passage from front to rear of the development has my party wall on one side

I am concerned about the potential for noise from the use of the passageway interfering with the peaceful enjoyment of my property.

I have discussed the above with the owner of no 6. This is just to voice my concerns in an official capacity.

I would like the plans to include sufficient noise insulation so that the above is addressed
