Dear Mr Wilson,

Your application R/214/17/T is currently set to be refused following comments from the Arboriculturist as attached. However please let me know if the advisory comments are acceptable to you and I can amend the description to be in line with the tree officers recommendations and can write it up to recommend approval.

The amended description will read as follows:
Reduce 3 No Horse Chestnuts by 1.5m.

Please let me know if you agree to this amended description.
Thank you

Amber Willard
