Dear Sir,

Ref: Planning Application R/215/15/HH
at - 28 Park Drive, Rustington.

We write to object to the planning application above on the following grounds:

The proposals include a large window (some 2.4m x 1.0m) in the west elevation which would directly overlook our bungalow and garden and would adversely affect our privacy and the enjoyment of our own property.

In the event that our objection is overruled, however, we should ask the Council to attach a Condition to the grant of planning permission, namely, to reduce the size of the window in the west elevation or to relocate the proposed window to the south elevation, in exchange for the smaller twin windows in the south elevation.

This would have the advantage of reducing the visual intrusion into our property and would not increase the intrusion over the neighbouring (commercial) property to the south whose north elevation is largely wall and whose employees are unlikely to be affected.

We very much hope you are able to assist us in this matter and we look forward to hearing from you.

With many thanks.

Yours faithfully,
