Dear Mr Belbin,

I write in relation to the above planning application following our telephone conversation on the 19th January 2018.

As previously explained we are currently awaiting comments from WSCC in relation to this application. I have today sent a chasing email having been unable to get through on the telephone. I would hope that these comments will be received by the 26th January 2018 and a recommendation for approval can be made.

Therefore, I would be grateful if you could provide written confirmation of your agreement to an extension of time until the **29th January 2018**. This will provide sufficient time for the recommendation report to be completed, signed off and a decision issued.

I apologise for the delay in the determination of this application but please do not hesitate to contact me should you wish to discuss this application further.

Yours Sincerely,
David Easton
