Dear Sir/Madam,

**Town & Country Planning Act 1990 (as amended)**  
**Town & Country Planning (Development Management Procedure) (England) Order 2015**

Application No: R/215/25/HH  
Site Address: 21 Sutton Avenue Rustington BN16 2ES  
Description of works: Single storey rear extension.

Thank you for your internet representation made on 13th December 2025 which has been recorded as an objection with the comments as follows:

OWPC80303

Visual amenity and overbearing impact: The "unsightly wall and gutter outlook" relates to visual intrusion, which is a valid planning consideration. You can argue the extension creates an oppressive or "claustrophobic effect".

includes blocking light to main living area /conservatory,  
no block plan seen on this also,

I object to looking towards my south border ,will see reduce light and 21ft of  
wall and gutter if plans give go ahead,  
cause overbearing overshadowing,  
loss reduction of light

Your views as made above will be considered before the application is determined.
