Hello Amber

That's fine. In response to your question the length that will be left on branches will be approximately 2-3m.

Kind regards

Josh

Dear Mr Townsend,

Apologies for the delay in my responding.

Thank you for your email, unfortunately we require some further information from you.

Please could you confirm the length (in metres) of the branches that will be remaining after the 3m is removed.

Many Thanks
Amber Willard

Thank you for getting in contact

In answer to your questions

1. How many tree's form part of the application?

There are 4 lime trees directly behind the north building that are part of the application.

2. Do you wish to remove 3m from the tree or have a 3m clearance from the building?

We wish to have a 3m clearance from the buildings.

Kind regards
Josh
