Dear Sir/Madam,

Re: Planning Application for Extension to 6 Hawley Road, Rustington, BN16 2QD

I am writing to you with regard to the above property and the attached planning application x 3 copies for an extension to the property.

I have previously received planning consent (Ref: R/48/15/HH and R/151/17/HH) to modify 6 Hawley Road, Rustington with new dormers, this work has now been completed. I have also received planning consent to remove an existing conservatory on the northern side of the building and to replace it with a new brick built kitchen, this work is yet to be undertaken.

The proposed planning application will extend the existing approved kitchen on the northern side of the building to include an additional two metres westwards. The additional space will accommodate a kitchen, window and south facing patio doors. The proposed extension will protrude no further than that of my neighbouring property as demonstrated on attached illustration.

Please see attached 4 x copies of the planning application form, 4 x copies of the A1 plans of the proposed extension along a cheque made payable to Arun District Council for the sum [REDACTED]

Should you require any further information or an electronic version of the plans, please do not hesitate to contact me at the above address.
