Subject: ParkView Court

Dear Anita,

I am the owner of Flat 2 Parkview Court and fully support the proposed application submitted to you, however, I do have one question which I hope you can answer for me.

On my current property deeds it is clearly marked there is a communal garden for all tenants/owners to use, if this is to be filled in for the creation of more parking spaces will a revised property plan be issued to me? I am thinking in the future if I ever come to sell my home the plans I have will not match with what is being marketed.

Also my garden with private access opens into the current communal space, I have looked at the plans and cannot see if/how my garden access will be affected, are you able to shed any light on this too please.

I look forward to hearing from you soon.

Kind regards,
Aisha Bird
