Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: R/222/21/HH
Site Address: 42 Pigeonhouse Lane Rustington BN16 2BE
Description of works: Single storey rear extension and hip to gable loft conversion with 2 x dormers following the demolition of existing rear conservatory

Thank you for your internet representation made on 14th October 2021 which has been recorded as an objection with the comments as follows:

OWPC41249

Reasons for our objection as follows-

The first floor Dormer on South roof elevation when in isolation is not an issue however when taking into consideration our property to South which has a tiled gabled Dormer currently facing out to the South roof elevation of the applicants property the new Dormer would appear over bearing and disjointed. We would have no objection to a Velux style Roof Window which would in our opinion be more appropriate for a bathroom set within a pitched hipped roof and ultimately be less obtrusive.

Your views as made above will be considered before the application is determined.
